SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §§ 1.97 and 1.98, and in compliance with the duty of disclosure set forth in 37 C.F.R. § 1.56, applicants submit attached Form PTO-SB/08A (modified) for consideration and request the reference cited therein be made of record by the U.S. Patent and Trademark Office in the above-captioned application.

Applicants' representatives recently became aware of the Uniden WHAM Accessory Wireless Microphone and located its owner's manual on the Uniden website. No counterpart foreign applications have been filed. In accordance with 37 C.F.R. § 1.97(e)(2), the undersigned hereby certifies that the cited owner's manual was not cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned after making reasonable inquiry, the owner's manual was not known to any individual designated in § 1.56(c) more than three months prior to the filing of this information disclosure statement.

Applicants respectfully point out that the submission of the listed reference in this Information Disclosure Statement is not an admission that it is prior art or that it is material to patentability of any claims of the application.

Consideration of the foregoing plus the prompt return of a copy of the enclosed Form SB/08A with the Examiner's initials in the left column in accordance with MPEP 609 are respectfully requested.

In the event any variance exists between the amount enclosed and the Patent Office charges, please charge or credit any difference to the undersigned's Deposit Account No. 50-0206.

Respectfully submitted,

HUNTON & WILLIAMS LLP
